

Bryan (Bob) Bjorklund's home: 3810 South Duff, Ames (515) 233-4715

The Bjorklund's live about 1 mile south of Lowe's on the East side of Duff (Highway 69). It is a blue house that sits back from the road. Our driveway can park 10 to 12 cars; however, to ease parking congestion, we recommend that 1) swimmers carpool as much as possible and 2) swimmers drive past our home on Duff and **turn left** onto **Ken Maril Rd. (The flashing yellow light)** Adequate parking is available along Ken Maril on both sides of the street. Swimmers can then walk the ½ block to the house using the **gravel alley** between Duff and Emerald that leads directly to our back yard. At the end of the alley, follow the chain link fence around, past a screen porch, and down the stairs to the front door. Please call if there are questions.
